138TH ANNUAL
COMMENCEMENT

MAY 10, 2014

SIU
Southern Illinois University
CARBONDALE
The University Charter

The origins of Southern Illinois University Carbondale date to “An Act to Establish and Maintain the Southern Illinois Normal University” approved by the Illinois General Assembly on March 9, 1869.

The Act defined the new university’s purpose as “to qualify teachers for the common schools of this state by imparting instruction in the art of teaching in all branches of study which pertain to a common school education in the elements of the natural sciences including agricultural chemistry, animal and vegetable physiology, in the fundamental laws of the United States and of the State of Illinois in regard to the rights and duties of citizens and such other studies as the board of education may from time to time prescribe.”

It included provisions for appointment of a Board of Trustees. One of the Board’s first orders of business under the Act would be to “advertise for proposals from localities desiring to secure the location of said Normal University.” The Act required the Board to “locate the institution at such point, as shall, all things considered, offer the most advantageous conditions. The land shall be selected south of the Railroad, or within six miles north of said road, passing from St. Louis to Terre Haute known as the Alton and Terre Haute railroad, with a view of obtaining a good supply of water and other conveniences for the use of the institution.”

The Act defines how buildings would be constructed as well as procedures for selecting students. It assigned a budget of $75,000 for construction of buildings and for furnishings.

The University Charter displayed on the stage today was bound by alumna Wendy Hale Davis, a bookbinder, artist and musician in Austin, Texas.

The ceremonial mace, a decorated staff carried in the commencement procession, is a symbol within a symbol. Above all, the mace is a symbol of authority: It denotes the right of the University administration to confer degrees on its graduates. Its place at the head of the SIU procession and carried by the recipient of the Scholar Excellence Award, who serves as the commencement Grand Marshal, is a mark of respect for the scholarship and dedication of the faculty.

The presence of a mace in ceremonial processions dates to the Middle Ages. The earliest maces were practical items, carried by Sergeants-at-Arms as part of the royal bodyguards’ means to protect the king and as a symbol of his authority. In time, the mace was adapted to civic use, and represented leadership. No longer a weapon, the mace became a work of art, decorated with precious metals and often bearing the seal of the city or university it represented.

Universities began incorporating a mace into their ceremonies as early as the 15th century. In the United States, most universities continue the tradition and incorporate a ceremonial mace into commencement exercises.

At SIU, the mace is imbued with added significance. Chancellor Rita Cheng commissioned Professor Richard Smith, blacksmith and faculty member in the School of Art and Design, to create a mace to debut in 2013. Professor Smith turned to Professor Emeritus Richard Mawdsley, silversmith, to complete the project. He also enlisted the assistance of alumna Erin Dixon; Assistant Professor Sun Kyoung Kim; graduate student Patrick Quinn; and undergraduate students Timothy Schaeffer and Daniel Widolff – all from the School of Art and Design. The mace, then, is very much a product of the University as well as representative of it.

The mace, constructed of Damascus steel and silver, is 42 inches tall and 1¼ inches wide at its widest point. Design elements of the piece incorporate architectural references to Old Main — a campus building when SIU was the brand new Southern Illinois Normal University, a teacher’s college, in 1874. Though the Old Main building was destroyed by fire in 1969, it holds a special place in the collective memory of the University, resonating even with those who have come to campus long after the building was gone.
Dear Graduates:

On behalf of SIU Carbondale, please accept my heartfelt congratulations on your accomplishments. This – our 138th commencement – is truly a special occasion, one that you will remember for the rest of your lives.

We appreciate your trust, and that of your families, in the abilities and commitment of our world-class faculty and staff to help you attain your educational goals. They have shared their time and their expertise to challenge, mentor and encourage you because they are passionate about your success.

Our university is one destination for every journey, and each of you has benefitted from, and contributed to, a campus community that embraces and promotes inclusivity, inspires creativity, and places a priority on serving others. Your educational experience has prepared you for success in your careers – and in life.

Much like the first day you joined the SIU family, today represents yet another beginning. Some of you will embark on a career. Others among you may continue your education. Regardless of the path you choose, I am confident that with the skills you have learned, and your talent, resourcefulness and commitment, big things will always be within reach.

You are now part of a network of more than 250,000 proud alumni whose many positive experiences here helped shape their future. I hope you will continue to serve as a goodwill ambassador for your alma mater.

Enjoy this moment, and celebrate with family and friends. You have earned it! My best wishes for continued success.

Sincerely,

Rita Cheng
Chancellor
ACADEMIC REGALIA

Academic regalia worn by faculty during commencement is based on attire from 12th- and 13-century universities. Academic dress and accouterments of this type have been used in the United States since colonial times. To maintain tradition and the conformity of academic symbols, little has changed in the symbolism of pattern and color since the Middle Ages. In 1895 an intercollegiate commission in the U.S. adopted a standardized code for the use of academic gowns, hoods and caps, which included regulating the cut, style and materials of gowns. In addition, colors, which were to represent the different fields of learning, were prescribed. Over the years, only minor revisions have been made to the code, which is followed by the majority of colleges and universities in America, including Southern Illinois University Carbondale.

GOWNS

The bachelor’s gown is a comparatively simple style that falls in straight lines from an elaborate yoke and has pointed sleeves. The master’s gown is similar to the bachelor’s except for its peculiar arrangement of the long sleeves with square ends that hang below the elbow. The doctor’s gown is elaborate, full-cut and flowing, and is distinguished by velvet panels down the front and around the neck and by three velvet bars on the bell-shaped sleeves.

HOODS

Historically, the academic hood was literally a garment to protect the wearer from foul weather. Today, it is the identifying symbol of the degree and the length indicates which degree it represents: three and a half feet for the master’s and four feet for the doctoral degree. Hoods are lined with the official color of the college or university conferring the degree. The color of trimming identifies the major field of learning: Maize for Agriculture, Orange for Applied Sciences and Arts, Brown for Architecture, Drab for Business, Light Blue for Education, Orange for Engineering, Brown for Fine Arts, Purple for Law, White for Liberal Arts, Blue for Mass Communication and Media Arts, Pink for Music, Dark Blue for Philosophy, Peacock Blue for Public Administration, Salmon for Public Health, Gold for Science and Citron for Social Work.

CAPS AND TASSELS

The mortar board is the cap generally worn with academic regalia. A long tassel is fastened to the middle point on the top of the cap. The tassel is usually the color appropriate to the subject. There is no general rule on the position of the tassel on the mortar board. However, numerous institutions have adopted a practice of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred and to shift them to the left side when the degrees are awarded to them.

Agricultural Sciences, Maize
Applied Sciences and Arts, Orange
Business, Drab
Education and Human Services, Light Blue
Engineering, Orange
Liberal Arts, White
Mass Communication and Media Arts, Blue
Science, Gold
Social Work, Citron
Masters, Black
Ph.D., Gold
J.D., Purple

STOLE OF GRATITUDE

Southern Illinois University Carbondale has incorporated the custom of the Stole of Gratitude since the 2012 commencement ceremony. This custom offers an opportunity for graduates to pay thanks to anyone who has helped them attend or excel in college. This stole is worn during the commencement ceremony or at another occasion where a presentation is appropriate. After the ceremony, the new graduate presents the Stole of Gratitude to someone who provided extraordinary help or support.

GONFALONS

Another symbol used in commencement is the gonfalon. The gonfalon is a flag or banner that hangs from a crosspiece or frame. It originated in the medieval states of Italy as an ensign of state or office. The gonfalon is used in the Southern Illinois University Carbondale ceremony to designate the various colleges and schools of the institution. In the ceremony, the gonfalon for each college is carried by the student marshal for that college or school.

Ali Wentworth

Author, actress and host Ali Wentworth is a multifaceted talent, bringing a wealth of experience to all her endeavors. As a writer, Wentworth has a column in Marie Claire magazine, wrote, co-created, co-executive produced, and starred in the Starz series Head Case, and is the author of two books: The WASP Cookbook (detailing the culinary lack of taste of the puritanical history with hilarious commentary on WASP culture) and the New York Times Best Seller, Ali in Wonderland – a memoir collection of funny stories and anecdotes from her childhood, through to her life in the limelight.

Some of Wentworth’s acting highlights include roles in Nancy Myers’ It’s Complicated (starring Meryl Streep and Alec Baldwin), Jerry Maguire (opposite Tom Cruise), Jerry’s girlfriend “Schmoopie” in the classic Seinfeld episode “The Soup Nazi,” and a regular on the television series In Living Color. She was also a guest star on recent episodes of Cougar Town and Blue Bloods.

Wentworth has appeared as a frequent guest, host or commentator on such programs as The Marriage Ref, The View, and Larry King Live. She has appeared on The Tonight Show with Jay Leno over a hundred times, and held a three-year contract with The Oprah Winfrey Show, where she was an on-air correspondent. She can also be seen in her megahit Yahoo.com web series, Daily Shot with Ali Wentworth: shine.yahoo.com/dailyshot.

A Washington D.C. native, Wentworth is the daughter of a political journalist and former President Ronald Reagan’s social secretary. She honed the craft of acting at New York University and with The Groundlings in Los Angeles. She resides in New York City with her husband George Stephanopoulos, and their two daughters. Honored Guests

James L. Moody, Distinguished Service Award
James Moody graduated from SIU in 1967 with a bachelor's degree in English and a minor in theater. He then earned his MFA in technical theater and design from UCLA in 1969. Mr. Moody's passion for SIU led him to create an award shortly after he earned his bachelor's degree that is given to a graduating senior and/or graduate student who has demonstrated excellence in lighting design. Over the years, he has continued to fund this award and serve as a mentor to students at his alma mater. He has returned to campus twice in recent years to serve as a guest lighting designer for Department of Theater productions, and during his residencies he delivered master classes for graduate and undergraduate students in theater and in mass communication and media arts. Mr. Moody's career highlights include assisting Broadway lighting designer Jules Fisher on several productions, including “Jesus Christ Superstar.” He was a founder in the field of touring concert lighting and over a 10-year period designed and/or production managed John Denver, Linda Ronstadt, the Eagles, The Osmonds, the Captain & Tennille, Dolly Parton, the Beach Boys and many others. He also is a certified director of photography, and his credits in film and television include long associations with “Entertainment Tonight,” “Jeopardy,” “Hard Copy,” and “Wheel of Fortune.” Mr. Moody's experience includes more than 6,000 hours of TV programming, and he is a highly sought-after speaker and leading author in his field. He is a member of the Academy of Television Arts and Sciences and serves on the technical production committee, and he has earned two Emmy nominations and several other industry awards.

Charles E. Priester, Distinguished Service Award
Charles Priester, chairman of Priester Aviation LLC, is a true pioneer in the field of aviation at the local, state, national and international levels. A graduate of the University of Notre Dame, he is widely recognized as a leader in the industry. His company manages and charters nearly 60 jet aircraft worldwide and provides a variety of aircraft administration and management services. He is a certified airline transport pilot, and as a certified flight instructor, he was designated by the Federal Aviation Administration as an examiner for pilots seeking certifications. Mr. Priester has been a strong supporter of SIU’s aviation programs for more than three decades. He was a member and became chair of the first Air Institute and Service Advisory Committee, which was formed in 1980. This group was instrumental in advocating for the creation of a formal degree in aviation flight at SIU, which was established in 1984. In 1986 and 1987, Mr. Priester was instrumental in connecting United Airlines and the SIU aviation program to form a first-of-its-kind United Airlines-SIU Flight Operations Internship program. This led to more than 70 former SIU interns securing jobs as pilots with United over the years. He also is the de facto leader of the SIU Aviation Captains Club, a group of Chicagoland aviators formed in 2005 to provide guidance, advice and resources that benefit SIU’s aviation programs. Mr. Priester established and endowed the George Priester Memorial Aviation Scholarship at SIU in honor of his father, the founder of Priester Aviation and the modern-day Palwaukee Airport (now called Chicago Executive Airport). He is in the process of establishing another scholarship in honor of Esther Noffke, a Women’s Air Service Program aviator during World War II and one of the initial partners with George Priester in forming Priester Aviation. Mr. Priester hosts and underwrites the annual SIU Aviation Chicago Golf Outing and has secured tens of thousands of dollars in sponsorships and support. Since it was established in 2007, the event has raised approximately $250,000 for aviation scholarships. Mr. Priester’s son is an SIU aviation graduate and is now a pilot for United Airlines.

Cameron Shulak, Undergraduate Student Government President and Honorary Student Marshal, will carry the University Charter and the inspirational message below which was authored by the late Charles D. Tenney, SIU Professor and Distinguished Service Award recipient. The message contained in this document is displayed on the south wall of Morris Library’s Hall of Presidents and Chancellors, and has a special place in the hearts of our students and alumni. We share it with you today:

SOUTHERN ILLINOIS UNIVERSITY
ESTABLISHED 1869

TO EXALT BEAUTY
IN GOD,
IN NATURE,
AND IN ART,
TEACHING HOW TO LOVE THE BEST
BUT TO KEEP THE HUMAN TOUCH:

TO ADVANCE LEARNING
IN ALL LINES OF TRUTH
WHEREVER THEY MAY LEAD,
SHOWING HOW TO THINK
RATHER THAN WHAT TO THINK,
ASSISTING THE POWERS
OF THE MIND
IN THEIR SELF-DEVELOPMENT:

TO FORWARD IDEAS
AND IDEALS
IN OUR DEMOCRACY,
INSPIRING RESPECT FOR OTHERS
AS FOR OURSELVES,
EVER PROMOTING FREEDOM
WITH RESPONSIBILITY:

TO BECOME A CENTER OF
ORDER AND LIGHT
THAT KNOWLEDGE MAY LEAD
TO UNDERSTANDING
AND UNDERSTANDING
TO WISDOM.
The Star Spangled Banner

O say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming?
And the rocket’s red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.
O say does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave?

Lyrics by Francis Scott Key, 1814
Music by John Stafford Smith, 1780

Alma Mater

Hail Alma Mater
Southern to thee
Strong thru the years you stand triumphantly
Beacon to guide us
Over life’s sea
Light that can never fail us
Hail, Hail to thee

Lyrics and Music by Grover Clarke Morgan
written as a Sophomore while attending SIU Carbondale in 1934.

Candidates for Degrees

The following lists contain the names of candidates for degrees, the granting of which is contingent upon successful completion of all requirements for the degree.

(*) University Honors program member (undergraduate students only)
(**) Multiple degree candidate
(†) Posthumous degree
(‡) Interdisciplinary degree

University Academic Honors listed to the right of the name are as follows for undergraduate students:

- cum laude ......................................................... 3.500–3.749
- magna cum laude ............................................. 3.750–3.899
- summa cum laude .............................................. 3.900–4.000

The grade point averages above apply firstly to all work taken at Southern Illinois University Carbondale and then in the case of transfer students, to the total work as an additional, but secondary qualification.

Note

The list of graduates in this program is not intended to be an official certification of the completion of a degree. The diploma of Southern Illinois University Carbondale or an official transcript, signed by the appropriate officials, is the official record of graduation.
