## THE UNIVERSITY CHARTER

The origins of Southern Illinois University Carbondale date to "An Act to Establish and Maintain the Southern Illinois Normal University" approved by the Illinois General Assembly on March 9, 1869.

The act defined the new university's purpose as "to qualify teachers for the common schools of this state by imparting instruction in the art of teaching in all branches of study which pertain to a common school education in the elements of the natural sciences including agricultural chemistry, animal and vegetable physiology, in the fundamental laws of the United States and of the State of Illinois in regard to the rights and duties of citizens and such other studies as the board of education may from time to time prescribe."

It included provisions for appointment of a Board of Trustees. One of the board's first orders of business under the act would be to "advertise for proposals from localities desiring to secure the location of said Normal University." The act required the board to "locate the institution at such point, as shall, all things considered, offer the most advantageous conditions. The land shall be selected south of the Railroad, or within six miles north of said road,

Scholar Excellence Award Recipient Sukesh Bhaumik will carry the University Charter and the inspirational message on the next page that was written by the late Charles D. Tenney, SIU professor and Distinguished Service Award recipient. The message is displayed on the south wall of Morris Library's Hall of Presidents and Chancellors, and has a special place in the hearts of our students and alumni. We share it with you today:

passing from St. Louis to Terre Haute known as the Alton and Terre Haute railroad, with a view of obtaining a good supply of water and other conveniences for the use of the institution."

*Class of 1897*

The act defines how buildings would be constructed, as well as procedures for selecting students. It assigned a budget of \$75,000 for construction of buildings and for furnishings.

The University Charter displayed on the stage today was bound by alumna Wendy Hale Davis, a bookbinder, artist and musician in Austin, Texas.

## "THE STAR-SPANGLED BANNER"

*Lyrics by Francis Scott Key, 1814. Music by John Stafford Smith, 1780*

O say can you see,	Through the perilous fight,	That our flag was still there.
By the dawn's early light,	O'er the ramparts we watched,	O say does that star-spangled
What so proudly we hailed	Were so gallantly streaming?	banner yet wave
At the twilight's last gleaming?	And the rocket's red glare,	O'er the land of the free
Whose broad stripes and bright	The bombs bursting in air,	And the home of the brave?
stars,	Gave proof through the night	

## "SOUTHERN ALMA MATER"

*Lyrics and music by Grover Clarke Morgan  
Written as a sophomore while attending SIU Carbondale in 1934.*

Hail Alma Mater  
Southern to thee  
Strong thru the years you  
stand triumphantly  
Beacon to guide us  
Over life's sea  
Light that can never fail us  
Hail, Hail to thee

## SPECIAL THANKS

We wish to acknowledge the extraordinary efforts of many dedicated staff members who have contributed to this special occasion for our students and their families.

## NOTE

The list of graduates in this program is not intended to be an official certification of the completion of a degree. The diploma of Southern Illinois University Carbondale or an official transcript, signed by the appropriate officials, is the official record of graduation.

## CEREMONIAL MACE

The ceremonial mace, a decorated staff carried in the commencement procession, is a symbol within a symbol. It denotes the right of the university administration to confer degrees on its graduates.

The presence of a mace in ceremonial processions dates to the Middle Ages. The earliest maces were practical items, carried by sergeants-at-arms as part of the royal bodyguards' means of protecting the king and as a symbol of his authority. In time, the mace was adapted to civic use and represented leadership. No longer a weapon, the mace became a work of art, decorated with precious metals and often bearing the seal of the city or university it represented.

Universities began incorporating a mace into their ceremonies as early as the 15th century. In the United States, most universities continue the tradition and incorporate a ceremonial mace into commencement exercises.

At SIU, the mace is very much a product of the university as well as representative of it. Professor Richard Smith, blacksmith and faculty member in the School of Art and Design, was commissioned to create a mace to debut in 2013. He turned to professor emeritus Richard Mawdsley, silversmith, to complete the project. He also enlisted the assistance of alumna Erin Dixon; assistant professor Sun Kyoung Kim; graduate student Patrick Quinn; and undergraduate students Timothy Schaeffer and Daniel Widolff – all from the School of Art and Design.

The mace, constructed of Damascus steel and silver, is 42 inches tall and 1¼ inches wide at its widest point. Design elements incorporate architectural references to Old Main – a campus building when SIU was the brand-new Southern Illinois Normal University, a teachers college, in 1874. Though Old Main was destroyed by fire in 1969, it holds a special place in the collective memory of the university.

## ACADEMIC REGALIA

Academic regalia worn by faculty during commencement is based on attire from 12th- and 13th-century universities. Academic dress and accoutrements of this type have been used in the United States since colonial times. To maintain tradition and the conformity of academic symbols, little has changed in the symbolism of pattern and color since the Middle Ages. In 1895 an intercollegiate commission in the United States adopted a standardized code for the use of academic gowns, hoods and caps, which included regulating the cut, style and materials of gowns. In addition, colors, which were to represent the different fields of learning, were prescribed. Over the years, only minor revisions have been made to the code, which is followed by the majority of colleges and universities in America, including Southern Illinois University Carbondale.

### GOWNS

The bachelor's gown is a comparatively simple style that falls in straight lines from an elaborate yoke and has pointed sleeves. The master's gown is similar to the bachelor's except for its peculiar arrangement of the long sleeves with square ends that hang below the elbow. The doctor's gown is elaborate, full-cut and flowing, and is distinguished by velvet panels down the front and around the neck, and by three velvet bars on the bell-shaped sleeves.

### STOLE OF GRATITUDE

Southern Illinois University Carbondale has incorporated the custom of the Stole of Gratitude since the 2012 commencement ceremony. This custom offers an opportunity for graduates to pay thanks to anyone who has helped them attend or excel in college. This stole is worn during the commencement ceremony or at another occasion where a presentation is appropriate. After the ceremony, the new graduate presents the Stole of Gratitude to someone who provided extraordinary help or support.

### HOODS

Historically, the academic hood was literally a garment to protect the wearer from foul weather. Today, it is the identifying symbol of the degree, and the length indicates which degree it represents: 3½ feet for the master's and 4 feet for the doctoral degree. Hoods are lined with the official color of the college or university conferring the degree. The color of trimming identifies the major field of learning: maize for Agriculture, orange for Applied Sciences and Arts, brown for Architecture, drab for Business, light blue for Education, orange for Engineering, brown for Fine Arts, purple for Law, white for Liberal Arts, blue for Mass Communication and Media Arts, pink for Music, dark blue for Philosophy, peacock blue for Public Administration, salmon for Public Health, gold for Science and citron for Social Work.

### MEDALLION CAPS AND TASSELS

The mortarboard is the cap generally worn with academic regalia. A long tassel is fastened to the middle point on the top of the cap. The tassel is usually the color appropriate to the subject. There is no general rule on the position of the tassel on the mortarboard. However, numerous institutions have adopted a practice of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred, and to shift them to the left side when the degrees are awarded to them.

Orange	Applied Sciences and Arts	Gold	Science
Drab	Business	Citron	Social Work

### MEDALLION

### GONFALONS

Another symbol used in commencement is the gonfalon. The gonfalon is a flag or banner that hangs from a crosspiece or frame. It originated in the medieval states of Italy as an ensign of state or office. The gonfalon is used in the Southern Illinois University Carbondale ceremony to designate the various colleges and schools of the institution. In the ceremony, the gonfalon for each college is carried by the student marshal for that college or school.

## Dear Members of the Class of 2019:

Congratulations! Commencement is the culmination of years of commitment and hard work, and also the beginning of your next adventure.

You are embarking on a new journey at the same time that SIU is celebrating its 150th Anniversary. Throughout the year, we are celebrating our Saluki **TRADITION**, Saluki **PRIDE** and Saluki **PROMISE** – representing our past, present and future as an institution. But those themes echo throughout your individual accomplishments, as well.

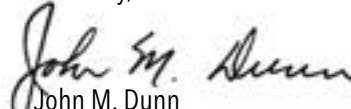

As you celebrate, know that you will benefit from 150 years of strong Saluki TRADITION. That tradition includes outstanding faculty dedicated to helping students learn within and beyond the classroom. It includes a dedication to research and creativity, inclusivity and accessibility. And, it includes a commitment to ensuring that our students succeed.

You are our Saluki PRIDE. SIU has more than 250,000 proud alumni, and today you join their ranks. Like you, they made personal connections that will last throughout their lives. And like you, they translated success at SIU into success throughout their careers.

You are also a critical part of our Saluki PROMISE. You will always be a member of the Saluki family. You are welcome to visit campus often to connect with the next generation of SIU students, share your knowledge, catch a game, and let us know how you are doing. You will always be part of SIU, and that connection will help us build a better future.

On this day of achievement, please take a moment to give thanks to family members, friends, faculty and staff who supported you along the way. On behalf of the entire university, I thank you for letting us be a part of your success. We look forward to learning of your many accomplishments as SIU alumni.
