THE UNIVERSITY CHARTER

The origins of Southern Illinois University Carbondale date to "An Act to Establish and Maintain the Southern Illinois Normal University" approved by the Illinois General Assembly on March 9, 1869.

The act defined the new university's purpose as "to qualify teachers for the common schools of this state by imparting instruction in the art of teaching in all branches of study which pertain to a common school education in the elements of the natural sciences including agricultural chemistry, animal and vegetable physiology, in the fundamental laws of the United States and of the State of Illinois in regard to the rights and duties of citizens and such other studies as the board of education may from time to time prescribe."

It included provisions for appointment of a Board of Trustees. One of the board's first orders of business under the act would be to "advertise for proposals from localities desiring to secure the location of said Normal University." The act required the board to "locate the institution at such point, as shall, all things considered, offer the most advantageous conditions. The land shall be selected south of the Railroad, or within six miles north of said road,

passing from St. Louis to Terre Haute known as the Alton and Terre Haute railroad, with a view of obtaining a good supply of water and other conveniences for the use of the institution."

Class of 1897

The act defines how buildings would be constructed, as well as procedures for selecting students. It assigned a budget of \$75,000 for construction of buildings and for furnishings.

The University Charter currently displayed in Anthony Hall was bound by alumna Wendy Hale Davis, a bookbinder, artist and musician in Austin, Texas.

The inspirational message on the next page is displayed, along with the charter, during commencement exercises. This message was written by the late Charles D. Tenney, SIU professor and Distinguished Service Award recipient. The message is displayed on the south wall of Morris Library's Hall of Presidents and Chancellors, and has a special place in the hearts of our students and alumni.

A photograph of a large, ornate, multi-story building with many windows and a central tower, likely a university building. The image is overlaid with a semi-transparent red filter.

**SOUTHERN ILLINOIS
UNIVERSITY**
ESTABLISHED 1869

TO EXALT BEAUTY
IN GOD,
IN NATURE,
AND IN ART,
TEACHING HOW TO LOVE THE BEST
BUT TO KEEP THE HUMAN TOUCH:

TO ADVANCE LEARNING
IN ALL LINES OF TRUTH
WHEREVER THEY MAY LEAD,
SHOWING HOW TO THINK
RATHER THAN WHAT TO THINK,
ASSISTING THE POWERS
OF THE MIND
IN THEIR SELF-DEVELOPMENT:

**TO FORWARD IDEAS
AND IDEALS**
IN OUR DEMOCRACY,
INSPIRING RESPECT FOR OTHERS
AS FOR OURSELVES,
EVER PROMOTING FREEDOM
WITH RESPONSIBILITY:

**TO BECOME A CENTER OF
ORDER AND LIGHT**
THAT KNOWLEDGE MAY LEAD
TO UNDERSTANDING
AND UNDERSTANDING
TO WISDOM.

"THE STAR-SPANGLED BANNER"

Lyrics by Francis Scott Key, 1814. Music by John Stafford Smith, 1780

O say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright
stars,

Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming?
And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night

That our flag was still there.
O say does that star-spangled
banner yet wave
O'er the land of the free
And the home of the brave?

"SOUTHERN ALMA MATER"

*Lyrics and music by Grover Clarke Morgan
Written as a sophomore while attending SIU Carbondale in 1934.*

Hail Alma Mater
Southern to thee
Strong thru the years you
stand triumphantly
Beacon to guide us
Over life's sea
Light that can never fail us
Hail, Hail to thee

SPECIAL THANKS

We wish to acknowledge the extraordinary efforts of many dedicated staff members who have contributed to this commemorative program for our students and their families.

NOTE

The list of graduates in this program is not intended to be an official certification of the completion of a degree. The diploma of Southern Illinois University Carbondale or an official transcript, signed by the appropriate officials, is the official record of graduation.

CEREMONIAL MACE

The ceremonial mace, a decorated staff carried in the commencement procession, is a symbol within a symbol. It denotes the right of the university administration to confer degrees on its graduates.

The presence of a mace in ceremonial processions dates to the Middle Ages. The earliest maces were practical items, carried by sergeants-at-arms as part of the royal bodyguards' means of protecting the king and as a symbol of his authority. In time, the mace was adapted to civic use and represented leadership. No longer a weapon, the mace became a work of art, decorated with precious metals and often bearing the seal of the city or university it represented.

Universities began incorporating a mace into their ceremonies as early as the 15th century. In the United States, most universities continue the tradition and incorporate a ceremonial mace into commencement exercises.

At SIU, the mace is very much a product of the university as well as representative of it. Professor Richard Smith, blacksmith and faculty member in the School of Art and Design, was commissioned to create a mace to debut in 2013. He turned to professor emeritus Richard Mawdsley, silversmith, to complete the project. He also enlisted the assistance of alumna Erin Dixon; assistant professor Sun Kyoung Kim; graduate student Patrick Quinn; and undergraduate students Timothy Schaeffer and Daniel Widolff – all from the School of Art and Design.

The mace, constructed of Damascus steel and silver, is 42 inches tall and 1¼ inches wide at its widest point. Design elements incorporate architectural references to Old Main – a campus building when SIU was the brand-new Southern Illinois Normal University, a teachers college, in 1874. Though Old Main was destroyed by fire in 1969, it holds a special place in the collective memory of the university.

ACADEMIC REGALIA

Academic regalia worn by faculty during commencement is based on attire from 12th- and 13th-century universities. Academic dress and accoutrements of this type have been used in the United States since colonial times. To maintain tradition and the conformity of academic symbols, little has changed in the symbolism of pattern and color since the Middle Ages. In 1895 an intercollegiate commission in the United States adopted a standardized code for the use of academic gowns, hoods and caps, which included regulating the cut, style and materials of gowns. In addition, colors, which were to represent the different fields of learning, were prescribed. Over the years, only minor revisions have been made to the code, which is followed by the majority of colleges and universities in America, including Southern Illinois University Carbondale.

GOWNS

The bachelor's gown is a comparatively simple style that falls in straight lines from an elaborate yoke and has pointed sleeves. The master's gown is similar to the bachelor's except for its peculiar arrangement of the long sleeves with square ends that hang below the elbow. The doctor's gown is elaborate, full-cut and flowing, and is distinguished by velvet panels down the front and around the neck, and by three velvet bars on the bell-shaped sleeves.

STOLE OF GRATITUDE

Southern Illinois University Carbondale has incorporated the custom of the Stole of Gratitude since the 2012 commencement ceremony. This custom offers an opportunity for graduates to pay thanks to anyone who has helped them attend or excel in college. This stole is worn during the commencement ceremony or at another occasion where a presentation is appropriate. After the ceremony, the new graduate presents the Stole of Gratitude to someone who provided extraordinary help or support.

HOODS, CAPS, AND TASSELS

Historically, the academic hood was literally a garment to protect the wearer from foul weather. Today, it is the identifying symbol of the degree, and the length indicates which degree it represents: 3 1/2 feet for the master's and 4 feet for the doctoral degree. Hoods are lined with the official color of the college or university conferring the degree, and the color of trimming identifies the major field of learning.

The mortarboard is the cap generally worn with academic regalia. A long tassel is fastened to the middle point on the top of the cap. The tassel is usually the color appropriate to the subject. There is no general rule on the position of the tassel on the mortarboard. However, numerous institutions have adopted a practice of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred, and to shift them to the left side when the degrees are awarded to them.
