

136TH ANNUAL COMMENCEMENT

SIU Arena
Southern Illinois University Carbondale
Saturday, December 15, 2012
2:00 p.m.

THE UNIVERSITY CHARTER

The origins of Southern Illinois University Carbondale date to “An Act to Establish and Maintain the Southern Illinois Normal University” approved by the Illinois General Assembly on March 9, 1869.

The Act defined the new university’s purpose as “to qualify teachers for the common schools of this state by imparting instruction in the art of teaching in all branches of study which pertain to a common school education in the elements of the natural sciences including agricultural chemistry, animal and vegetable physiology, in the fundamental laws of the United States and of the State of Illinois in regard to the rights and duties of citizens and such other studies as the board of education may from time to time prescribe.”

It included provisions for appointment of a Board of Trustees. One of the Board’s first orders of business under the act would be to “advertise for proposals from localities desiring to secure the location of said Normal University.” The Act required the Board to “locate the institution at such point, as shall, all things considered, offer the most advantageous conditions. The land shall be selected south of the Railroad, or within six miles north of said road, passing from St. Louis to Terre Haute known as the Alton and Terre Haute railroad, with a view of obtaining a good supply of water and other conveniences for the use of the institution.”

The Act defines how buildings would be constructed as well as procedures for selecting students. It assigned a budget of \$75,000 for construction of buildings and for furnishings.

The University Charter displayed on the stage today was bound by alumna Wendy Hale Davis of Austin, Texas, a bookbinder, artist and musician.

President

Dear Graduates:

On behalf of the entire Southern Illinois University Carbondale community, please accept my heartfelt congratulations on your accomplishments. This — our 136th commencement — is truly a special occasion, one that you will remember throughout your lives.

We appreciate your trust, and that of your families, in the abilities and commitment of our dedicated faculty and staff to help you attain your educational goals. They have shared their time and their expertise to challenge, mentor and encourage you because they are passionate about your success.

Each of you came to campus from different backgrounds and with different perspectives. But you also came here with a desire to learn and to grow. What you found are the academic opportunities that challenged you and inspired you to succeed.

Much like the first day you set foot on campus, today represents yet another beginning. Some of you will embark on a career. Others among you may decide to continue your education. Regardless of the path you choose, be confident that the skills you have learned, combined with your talent, resourcefulness and perseverance, will create a future of unlimited possibilities.

You are joining a 235,000-member network of fellow alumni whose many positive experiences here shaped their future. I hope you will continue to serve as a goodwill ambassador for your University.

Enjoy this moment, and celebrate with family and friends. You have earned it!

My best wishes for continued success.

Sincerely,

Rita Cheng, Chancellor

ACADEMIC REGALIA

Academic regalia worn by faculty during commencement is based on attire from the 12th- and 13th-century universities. Academic dress and accouterments of this type have been used in the United States since colonial times. To maintain tradition and the conformity of academic symbols, little has changed in the symbolism of pattern and color since the Middle Ages. In 1895 an intercollegiate commission in the U.S. adopted a standardized code for the use of academic gowns, hoods, and caps, which included regulating the cut, style, and materials of gowns. In addition, colors, which were to represent the different fields of learning, were prescribed. Over the years, only minor revisions have been made to the code, which is followed by the majority of colleges and universities in America, including Southern Illinois University Carbondale.

GOWNS

The bachelor's gown is a comparatively simple style that falls in straight lines from an elaborate yoke and has pointed sleeves. The master's gown is similar to the bachelor's except for its peculiar arrangement of the long sleeves with square ends that hang below the elbow. The doctor's gown is elaborate, full-cut and flowing, and is distinguished by velvet panels down the front and around the neck and by three velvet bars on the bell-shaped sleeves.

HOODS

Historically, the academic hood was literally a garment to protect the wearer from foul weather. Today, it is the identifying symbol of the degree and the length indicates which degree it represents: three and a half feet for the master's and four feet for the doctoral degree. Hoods are lined with the official color of the college or university conferring the degree. The color of trimming identifies the major field of learning: Maize for Agriculture, Orange for Applied Sciences and Arts, Brown for Architecture, Drab for Business, Light Blue for Education, Orange for Engineering, Brown for Fine Arts, Purple for Law, White for Liberal Arts, Blue for Mass Communication and Media Arts, Pink for Music, Dark Blue for Philosophy, Peacock Blue for Public Administration, Salmon for Public Health, Gold for Science, and Citron for Social Work.

CAPS AND TASSELS

The mortar board is the cap generally worn with academic regalia. A long tassel is fastened to the middle point on the top of the cap. The tassel is usually the color appropriate to the subject. There is no general rule on the position of the tassel on the mortar board. However, numerous institutions have adopted a practice of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred and to shift them to the left side when the degrees are awarded to them.

Agricultural Sciences, Maize
Applied Sciences and Arts, Orange
Business, Drab
Education & Human Services, Light Blue
Engineering, Orange
Liberal Arts, White
Mass Communication and Media Arts, Blue
Social Work, Citron
Science, Gold
Masters, Black
PhD, Gold
JD, Purple

STOLE OF GRATITUDE

Southern Illinois University Carbondale has incorporated the custom of the Stole of Gratitude with the 2012 commencement ceremony. This custom offers an opportunity for graduates to pay thanks to anyone who has helped them attend or excel in college. This stole is worn during the commencement ceremony or at another occasion where a presentation is appropriate. After the ceremony, the new graduate presents the Stole of Gratitude to someone who provided extraordinary help or support.

GONFALONS

Another symbol used in commencement is the gonfalon. The gonfalon is a flag or banner that hangs from a crosspiece or frame. It originated in the medieval states of Italy as an ensign of state or office. The gonfalon is used in the Southern Illinois University Carbondale ceremony to designate the various colleges and schools of the institution. In the ceremony, the gonfalon for each college is carried by the student marshal for that college or school.

Special Thanks

We wish to acknowledge the
extraordinary efforts of many
dedicated staff members who have
contributed to this special occasion for
our students and their families.

THE STAR SPANGLED BANNER

O say can you see,
 By the dawn's early light,
 What so proudly we hailed
 At the twilight's last gleaming?
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming?
 And the rocket's red glare,
 The bombs bursting in air,
 Gave proof through the night
 That our flag was still there.
 O say does that star-spangled banner yet wave
 O'er the land of the free
 And the home of the brave?

Lyrics by Francis Scott Key, 1814
Music by John Stafford Smith, 1780

ALMA MATER

Hail Alma Mater
 Southern to thee
 Strong thru the years you

 Light that can never fail us
 Hail, Hail to thee

Lyrics and Music by Grover Clarke Morgan

SIU Carbondale in 1934.
