THE UNIVERSITY CHARTER

The origins of Southern Illinois University Carbondale date to "An Act to Establish and Maintain the Southern Illinois Normal University" approved by the Illinois General Assembly on March 9, 1869.

The Act defined the new university's purpose as "to qualify teachers for the common schools of this state by imparting instruction in the art of teaching in all branches of study which pertain to a common school education in the elements of the natural sciences including agricultural chemistry, animal and vegetable physiology, in the fundamental laws of the United States and of the State of Illinois in regard to the rights and duties of citizens and such other studies as the board of education may from time to time prescribe."

It included provisions for appointment of a Board of Trustees. One of the Board's first orders of business under the act would be to "advertise for proposals from localities desiring to secure the location of said Normal University." The Act required the Board to "locate the institution at such point, as shall, all things considered, offer the most advantageous conditions. The land shall be selected south of the Railroad, or within six miles north of said road, passing from St. Louis to Terre Haute known as the Alton and Terre Haute railroad, with a view of obtaining a good supply of water and other conveniences for the use of the institution."

The Act defines how buildings would be constructed as well as procedures for selecting students. It assigned a budget of \$75,000 for construction of buildings and for furnishings.

The University Charter displayed on the stage today was bound by alumna Wendy Hale Davis of Austin, Texas, a bookbinder, artist and musician.

PRESIDENT

Glenn Poshard

President

Dear Graduates:

On behalf of the entire Southern Illinois University Carbondale community, please accept my heartfelt congratulations on your accomplishments. This -- our 136th commencement -- is truly a special occasion, one that you will remember throughout your lives.

We appreciate your trust, and that of your families, in the abilities and commitment of our dedicated faculty and staff to help you attain your educational goals. They have shared their time and their expertise to challenge, mentor and encourage you because they are passionate about your success.

Each of you came to campus from different backgrounds and with different perspectives. But you also came here with a desire to learn and to grow. What you found are the academic opportunities that challenged you and inspired you to succeed.

Much like the first day you set foot on campus, today represents yet another beginning. Some of you will embark on a career. Others among you may decide to continue your education. Regardless of the path you choose, be confident that the skills you have learned, combined with your talent, resourcefulness and perseverance, will create a future of unlimited possibilities.

You are joining a 235,000-member network of fellow alumni whose many positive experiences here shaped their future. I hope you will continue to serve as a goodwill ambassador for your University.

Enjoy this moment, and celebrate with family and friends. You have earned it!

My best wishes for continued success.

Sincerely,

A handwritten signature in black ink that reads "Rita Cheng".
Rita Cheng, Chancellor

ACADEMIC REGALIA

Academic regalia worn by faculty during commencement is based on attire from the 12th- and 13-century universities. Academic dress and accouterments of this type have been used in the United States since colonial times. To maintain tradition and the conformity of academic symbols, little has changed in the symbolism of pattern and color since the Middle Ages. In 1895 an intercollegiate commission in the U.S. adopted a standardized code for the use of academic gowns, hoods, and caps, which included regulating the cut, style, and materials of gowns. In addition, colors, which were to represent the different fields of learning, were prescribed. Over the years, only minor revisions have been made to the code, which is followed by the majority of colleges and universities in America, including Southern Illinois University Carbondale.

GOWNS

The bachelor's gown is a comparatively simple style that falls in straight lines from an elaborate yoke and has pointed sleeves. The master's gown is similar to the bachelor's except for its peculiar arrangement of the long sleeves with square ends that hang below the elbow. The doctor's gown is elaborate, full-cut and flowing, and is distinguished by velvet panels down the front and around the neck and by three velvet bars on the bell-shaped sleeves.

HOODS

Historically, the academic hood was literally a garment to protect the wearer from foul weather. Today, it is the identifying symbol of the degree and the length indicates which degree it represents: three and a half feet for the master's and four feet for the doctoral degree. Hoods are lined with the official color of the college or university conferring the degree. The color of trimming identifies the major field of learning: Maize for Agriculture, Orange for Applied Sciences and Arts, Brown for Architecture, Drab for Business, Light Blue for Education, Orange for Engineering, Brown for Fine Arts, Purple for Law, White for Liberal Arts, Blue for Mass Communication and Media Arts, Pink for Music, Dark Blue for Philosophy, Peacock Blue for Public Administration, Salmon for Public Health, Gold for Science, and Citron for Social Work.

CAPS AND TASSELS

The mortar board is the cap generally worn with academic regalia. A long tassel is fastened to the middle point on the top of the cap. The tassel is usually the color appropriate to the subject. There is no general rule on the position of the tassel on the mortar board. However, numerous institutions have adopted a practice of requiring candidates for degrees to wear the tassels on the right front side before degrees are conferred and to shift them to the left side when the degrees are awarded to them.

Agricultural Sciences, Maize
Applied Sciences and Arts, Orange
Business, Drab
Education & Human Services, Light Blue
Engineering, Orange
Liberal Arts, White
Mass Communication and Media Arts, Blue
Social Work, Citron
Science, Gold
Masters, Black
PhD, Gold
JD, Purple

STOLE OF GRATITUDE

Southern Illinois University Carbondale has incorporated the custom of the Stole of Gratitude with the 2012 commencement ceremony. This custom offers an opportunity for graduates to pay thanks to anyone who has helped them attend or excel in college. This stole is worn during the commencement ceremony or at another occasion where a presentation is appropriate. After the ceremony, the new graduate presents the Stole of Gratitude to someone who provided extraordinary help or support.

GONFALONS

Another symbol used in commencement is the gonfalon. The gonfalon is a flag or banner that hangs from a crosspiece or frame. It originated in the medieval states of Italy as an ensign of state or office. The gonfalon is used in the Southern Illinois University Carbondale ceremony to designate the various colleges and schools of the institution. In the ceremony, the gonfalon for each college is carried by the student marshal for that college or school.

Special Thanks

We wish to acknowledge the
extraordinary efforts of many
dedicated staff members who have
contributed to this special occasion for
our students and their families.

KEYNOTE SPEAKER

Captain Mark Kelly

Commander of the Space Shuttle Endeavour's Final Mission Mark Kelly is an American astronaut, retired US Navy Captain, best selling-author, prostate cancer survivor, and an experienced naval aviator who flew combat missions during the Gulf War. The winner of many awards, including the Legion of Merit, two Defense Superior Service Medals and two Distinguished Flying Crosses, Kelly was selected as an astronaut in 1996. He flew his first of four missions in 2001 aboard Space Shuttle *Endeavour*, the same space shuttle that he commanded on its final flight in May 2011. He has also commanded Space Shuttle *Discovery* and is one of only two individuals who have visited the International Space Station on four different occasions.

Already a celebrated American, Kelly became the center of international attention after the January 2011 assassination attempt on his wife, US Congresswoman Gabrielle Giffords. In their best-selling memoir, *Gabby*, the couple shares their story of hope and resilience with the world. The inspirational memoir has topped multiple best-seller lists, including the *New York Times*, the *Wall Street Journal*, *USA Today*, and Amazon. Kelly and Giffords have captivated the nation with their story, appearing in an exclusive Diane Sawyer interview, and on *Nightline* and *The Daily Show*, among others, and have appeared on the covers of *People* and *USA Today*. Named one of the *Esquire*'s 2011 "Americans of the Year," Kelly was also featured on the cover of and profiled in the magazine.

Kelly's identical twin brother, Scott, is also an astronaut who served as commander of both the Space Shuttle and the International Space Station. They share the distinction of being the only siblings who have traveled in space.

With 6,000 flight hours in more than 50 different aircraft, 375 aircraft carrier landings, 39 combat missions and more than 50 days in space, Astronaut Mark Kelly is one of our country's most experienced pilots. A sought-after keynote speaker, Mark Kelly is an American hero who inspires others to be their best while remaining true to their core values. He exemplifies leadership, the importance of teamwork, and courage under pressure.

HONORED GUESTS

Deirdre N. McCloskey, Doctorate of Humane Letters Recipient

Deirdre N. McCloskey, economist and economic historian, has served as Distinguished Professor of Economics, History, English and Communication at the University of Illinois at Chicago since 2000, and was Visiting Tinbergen Professor (2002-2006) of Philosophy, Economics, and Art and Cultural Studies at Erasmus University of Rotterdam. A native of Ann Arbor, Mich., she earned her doctorate from Harvard University in 1970, and then taught economics for 12 years at the University of Chicago. In addition to her teaching credentials, Dr. McCloskey is both a prolific and important writer. She has 14 books to her credit as an author, and seven as an editor. In addition, Dr. McCloskey has approximately 360 published journal articles on topics including economic theory, economic history, philosophy, rhetoric, feminism, ethics and law. Her 1985 book, "The Rhetoric of Economics," and her 1990 book "If You're So Smart: The Narrative of Economic Expertise," pioneered the field of rhetoric and economics. Her writings have also impacted the study of the history of economics and economic thought. She is also noted for her writing on the relationship of economics and ethics, and is currently active in discussions conducted within the American Economics Association about professional ethics.

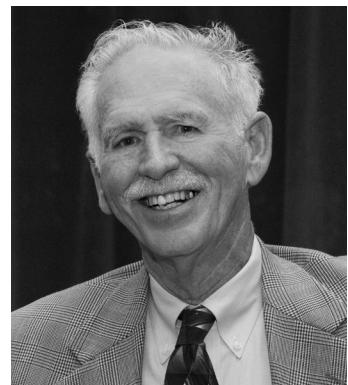

Larry D. Bailey, Distinguished Service Award Recipient

Larry D. Bailey, Washington, D.C., is a licensed CPA with more than 26 years of public accountancy experience and is a former partner with two international public accounting firms, in addition to being a former Internal Revenue Service agent. He earned his bachelor's degree in accounting from SIU Carbondale in 1972. He completed his MBA with a concentration in finance at the University of Pennsylvania's Wharton School in 1976. Since 2002, he has served as president of LDB Consulting, Inc. Through his company, Mr. Bailey provides strategic financial and tax consulting services to corporations, small business and private individuals. From 1991 to 2002, he was a partner with PricewaterhouseCoopers, responsible for providing financial, accounting and tax services to quasi-government, corporate, partnerships, sports franchises and individual clients. From 1976 to 1991, Mr. Bailey was a partner with KPMG Peat Marwick, providing tax and consulting services to financial institutions, insurance companies, energy companies, real estate, government contractors, investment companies, manufacturers and individuals.

Brocton D. Lockwood, Distinguished Service Award Recipient

Retired Judge Brocton Lockwood's career as an attorney in private practice and judge spanned four decades. A native of rural Murphysboro, he earned his bachelor's degree in political science at Oberlin College in Ohio and his law degree from Vanderbilt University in Tennessee. Judge Lockwood taught constitutional law at the SIU School of Law from 1971 to 1976. He served as associate circuit judge in Williamson County from 1978 to 1984. While serving on the bench, he was required to assist the Cook County courts by serving in their traffic court. Frustrated by the apparent corruption he witnessed in Chicago, Judge Lockwood volunteered to serve as an undercover investigator for the FBI's Operation Greylord in the early 1980s. That investigation resulted in 84 convictions from 92 indictments, including 15 judges and more than 40 attorneys, in addition to deputies and other court personnel. The undercover investigation was the subject of the 1989 book, "Operation Greylord: Brocton Lockwood's Story," written by Lockwood and Harlan H. Mendenhall, emeritus journalism professor at SIU Carbondale. After spending more than a decade in private practice in Marion, he was reappointed to the bench in 2000 in Saline County. Recognizing the impact of the increasing use of methamphetamine, which represented more than 50 percent of the county's felony cases in 2004, Judge Lockwood initiated the Saline County Drug Court that year. Judge Lockwood retired in 2006. He and his wife Gala, who live near Harrisburg, are active members of the Southern Illinois Parkinson's Support Group.

Brittany Greathouse, Undergraduate Student President and Honorary Student Marshal, will carry the inspirational message below authored by the late Charles D. Tenney, SIU Professor and Distinguished Service Award recipient. The message contained in this document is displayed on the south wall of the Morris Library's Hall of Presidents and Chancellors, and has a special place in the hearts of our students and alumni. We share it with you today:

SOUTHERN ILLINOIS
UNIVERSITY
ESTABLISHED 1869

TO EXALT BEAUTY
IN GOD,
IN NATURE,
AND IN ART,
TEACHING HOW TO LOVE THE BEST
BUT TO KEEP THE HUMAN TOUCH:
TO ADVANCE LEARNING
IN ALL LINES OF TRUTH
WHEREVER THEY MAY LEAD,
SHOWING HOW TO THINK
RATHER THAN WHAT TO THINK,
ASSISTING THE POWERS
OF THE MIND
IN THEIR SELF-DEVELOPMENT:
TO FORWARD IDEAS
AND IDEALS
IN OUR DEMOCRACY,
INSPIRING RESPECT FOR OTHERS
AS FOR OURSELVES,
EVER PROMOTING FREEDOM
WITH RESPONSIBILITY:
TO BECOME A CENTER OF
ORDER AND LIGHT
THAT KNOWLEDGE MAY LEAD
TO UNDERSTANDING
AND UNDERSTANDING
TO WISDOM.

THE STAR SPANGLED BANNER

O say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming?
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming?
And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.
O say does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave?

ALMA MATER

Hail Alma Mater
Southern to thee
Strong thru the years you
stand triumphantly
Beacon to guide us
Over life's sea
Light that can never fail us
Hail, Hail to thee

CANDIDATES FOR DEGREES

The following lists contain the names of candidates for degrees, the granting of which is contingent upon successful completion of all requirements for the degree.

- (*) University Honors program member (undergraduate students only)
- (**) Multiple degree candidate
- (+) Posthumus degree
- (§) Interdisciplinary degree

University Academic Honors listed to the right of the name are as follows for undergraduate students:

<i>cum laude</i>	3.500–3.749
<i>magna cum laude</i>	3.750–3.899
<i>summa cum laude</i>	3.900–4.000

The grade point averages above apply firstly to all work taken at Southern Illinois University Carbondale and then in the case of transfer students, to the total work as an additional, but secondary qualification.

Note

The list of graduates in this program is not intended to be an official certification of the completion of a degree. The diploma of Southern Illinois University Carbondale or an official transcript, signed by the appropriate officials, is the official record of graduation.

COLLEGE OF LIBERAL ARTS

ALUMNI ACHIEVEMENT AWARD RECIPIENT

Edward T. Collins

Edward T. Collins, Gurnee, Illinois, is vice president and assistant general counsel for The Allstate Corp. and a two degree SIU Carbondale graduate. He earned a bachelor's degree in political science in 1982, and a law degree from the SIU School of Law in 1986. Mr. Collins began his career with Allstate as an intern in the company's law and regulation department during the summer of 1985. His work has involved virtually the entire range of legal and public policy issues that an insurance company will face, including complex litigation that includes rate cases, and managed state legislative and regulatory affairs on a nationwide basis. He is leader of Allstate's Public Policy group. Mr. Collins is also national director of ProtectingAmerica.org, a non-profit coalition of first responders, emergency management professionals, building code experts, business leaders and others who work to offer public policy solutions that better prepare and protect the United States from massive natural catastrophes. He is also on the board of directors and executive committee of the Institute for Business and Home Safety.

COLLEGE OF AGRICULTURAL SCIENCES

ALUMNI ACHIEVEMENT AWARD RECIPIENT

Sam Robb

Sam Robb, of Pinckneyville, Illinois, a retired, longtime vocational agriculture teacher at Pinckneyville Community High School, is a two-degree SIU Carbondale graduate. He earned a bachelor's degree in general studies, and later earned a Master of Science degree in Agriculture Supply and Service. Mr. Robb spent 37 years teaching high school industrial education or vocational agriculture classes in Kewanee, Mount Carmel, and the last 32 years at Pinckneyville Community High School before retiring in 2005. During his time in Pinckneyville, he supervised 34 student teachers from SIU Carbondale, many of whom continue to teach and provide leadership in agriculture. Mr. Robb was a member of the SIU Agriculture Education Advisory Committee for many years, and is a member of the college's Leadership Board. Among his many honors, Mr. Robb earned the SIU Service to Agriculture Award in 1987 and Illinois Ag Teacher of the Year in 1990. He is involved with numerous civic organizations, including the Perry County Fair Board. He is also serving his second term on the Perry County Board.

COLLEGE OF APPLIED SCIENCES AND ARTS

ALUMNI ACHIEVEMENT AWARD RECIPIENT

Lee H. Raines

Lee H. Raines, Acworth, Georgia, is director and division head of automotive service for American Suzuki Motor Corp. Mr. Raines earned his associate degree in automotive technology in 1985, and a bachelor's degree in advanced technical studies in 1986, both from SIU Carbondale. During his career, Mr. Raines has held various leadership positions with American Suzuki Motor Corp., in addition to other automotive manufacturers -- including national retail operations development manager for Mitsubishi Motor Sales of America, and regional consumer affairs manager for Kia Motors America. He has also worked with many retailers to improve their operations as regional manager at Key Royal Consulting. Mr. Raines is a member of the national advisory board for SIU Carbondale's Department of Automotive Technology. He has hired numerous graduates from the College of Applied Sciences and Arts for the three automakers, and is involved with their mentoring. He sponsors current students through the SIU Alumni Association's externship program and actively recruits students for full-time jobs. Mr. Raines coordinated the donation of several training vehicles, diagnostic tools and service information support for the automotive technology program. He was responsible in April 2009 for American Suzuki Motor Corp. providing the program with its largest single donation of 10 training vehicles.

COLLEGE OF ENGINEERING

ALUMNI ACHIEVEMENT AWARD RECIPIENT

Thomas J. Murray

Thomas J. Murray, of Lisle, Illinois, is a retired executive vice president and owner of Chicago-based Sargent & Lundy, LLC. He earned his bachelor's degree in engineering technology in 1967 from SIU Carbondale. Mr. Murray spent more than 40 years with the company, and retired in December 2007 as director of the company's Power Delivery Services business group. He was a member of the company's corporate executive team, board of directors, and an owner, responsible for strategic planning, risk management, policy development, financial planning and annual budgeting. His experience includes all phases of project management, design, engineering and construction of high voltage/extrahigh voltage air-insulated substations, gas-insulated substations and transmission lines. His experience includes international projects in many countries. He is a registered professional engineer in eight states, including Illinois, Arizona, California and Florida, and a member of the Illinois Society of Professional Engineers and the Institute of Electrical and Electronics Engineers. He is also a board member and former chair for the Special Olympics of Illinois, LLC.

COLLEGE OF SCIENCE

2011 RICHARD AND DONNA FALVO OUTSTANDING DISSERTATION AWARD

Dr. Arjun Pathak, who is originally from Nepal, earned his Master's Degree in physics in 2007 and his doctorate in applied physics in 2011, both from SIU Carbondale. Prior to attending SIU Carbondale, he earned a bachelor's degree in physics, mathematics and chemistry, and a Master's Degree in physics, from Tribhuvan University in Nepal. Dr. Pathak's doctoral research focused on the synthesis and characterization of multifunctional magnetic materials, expanding scientific knowledge about their properties and leading to the development of new materials. He made pioneering achievements in novel magnetic materials, predominantly manganese-based Heusler alloys. In particular, he focused on magnetocaloric materials, which can be used in new cooling technology for next-generation refrigeration units that are simpler, more efficient and more environmentally friendly than traditional cooling devices. Additionally, his research is important for technological devices, such as sensors, permanent magnets, and magnetic computer storage devices. He defended his dissertation, "Exploration of new multifunctional magnetic materials based on a variety of Heusler alloys and rare-earth compounds," in March 2011. He is currently doing postdoctoral research on rare-earth magnetism at the U.S. Department of Energy's Ames Laboratory in Ames, Iowa. Advisor: Dr. Naushad Ali

COLLEGE OF EDUCATION AND HUMAN SERVICES

ALUMNI ACHIEVEMENT AWARD RECIPIENT

Hazel Loucks

Hazel Loucks, of Edwardsville, Illinois, served as Illinois' Deputy Governor for Education and Workforce from January 1999 to January 2003. She earned her bachelor's degree in elementary education in 1966. An assistant professor at SIU Carbondale from 1989 to 1994, Dr. Loucks is currently an associate professor for McKendree University, teaching education master's- and doctoral-level courses. She is a former classroom teacher, high school counselor, and elementary and middle school principal. In addition to serving as a deputy governor for the state, a cabinet-level position, Dr. Loucks' experience includes working as a private education consultant and workshop presenter delivering leadership development training that she authored. She has also served as Elementary and Second Education Act Specialist for the National Education Association, and a regional system of support provider (RESPRO) coordinator for the Illinois Association of School Administrators. She was also a school improvement specialist, working as an education consultant in the Virgin Islands for Learning Points Associates. In addition to writing many educational and training materials, Dr. Loucks is the author of "Reengaging Families in the Education of Middle School Children." She earned a doctorate in education administration from St. Louis University, and a Master of Arts in personnel in higher education from The Ohio State University.

Congratulations from Your SIU Alumni Association!

The SIU Alumni Association is dedicated to keeping you connected to your alma mater. Founded in 1896, the Association now serves more than 235,000 living alumni worldwide.

Our mission to "reveal to the world the excellence of Southern Illinois University" is enhanced when you share in that objective as a graduate.

Grad To-Do List...

1. Make sure your address is up to date with SIU. We want to keep you informed of the latest alumni events and news. Update at www.siualumni.com/update.
2. Support Saluki students following in your footsteps by joining the SIU Alumni Association. Plus receive great advantages. Check it out at www.siualumni.com/join.
3. Discover SIU Alumni Association Chapter and Clubs so that you'll know Salukis wherever you go! Visit www.siualumni.com/chapters for more information.
4. Alumni members have access to SIU Career Services after graduation, the alumni Online Community, discounts on job prep services and much more. Be sure to visit www.siualumni.com/recentgrads.

ONCE A SALUKI, ALWAYS A SALUKI.
